VIVA & Project Submission EXAMINATION

This is to notify that your online Viva & Project Submission(Final Sem/year) examination will start from 9th August 2021. All the courses and semester will have mandatory online viva examinations.

The following points should be ensured by all the students giving online viva examination-

1. Online Viva examination will be conducted by Lark meetings. Please download the application in your phones/computers prior examination. We will not conduct the examinations by any other means.
2. There should be proper internet connection, so that examination can be conducted without any difficulty.
3. Audios and Videos must be on during the examination. Students must be in formal attires, as everything carries marks.
4. Final semester/year students must submit their virtual project i.e. power point presentations (any topic from their curriculum) and internship letter by **5th August at email id- iasfaculty315@gmail.com and also WhatsApp it at – 8697748845**. Any delay in submitting the above things will lead to suspension of the students from this examination.
5. Internship letter must contain Proper Letterhead (of internship organization) with stamp, signature and phone number of the concerned signing personel , your full name, course, semester, enrollment no. , and university name. Without proper internship letter, you will not be allowed to sit for your final viva examination and your candidature will be cancelled for this examination.
6. After submitting proper virtual project , internship letter and giving viva examination, you'll be given a topic for project , which you need to submit in the office. The last date of submitting the hard copy of the project will be announced during your viva examination.
